

Hang Seng Bank Limited
(the “Bank”)
Shareholders Communication Policy

1. Purpose

This Policy sets out the processes that the Bank has in place to provide Shareholders and the investment community with ready, equal and timely information on the Bank for them to make informed assessments of the Bank’s strategies, developments, operations and financial performance, and to enable Shareholders and the investment community to engage actively with the Bank.

2. General Policy

2.1 The Board shall maintain an on-going dialogue with Shareholders and effective two-way communication between the Bank and Shareholders. Balanced and understandable information on the Bank will be disseminated timely and effectively through the Bank’s results announcements, annual and interim reports, AGMs and other general meetings that may be convened, as well as by making available all the disclosures submitted to the Stock Exchange and its corporate communications and other corporate publications on the Bank’s website.

2.2 The Bank has put in place a Framework for the Disclosure of Inside Information which reflects relevant requirements under Part XIVA of the Securities and Futures Ordinance.

2.3 Communication with Shareholders and the investment community shall comply with all relevant laws, regulations and rules, and in particular, the CG Code.

3. General Meetings

3.1 AGMs provide a useful forum for Shareholders to exchange views with the Board. The Bank’s Chairman, Executive Directors, Chairmen of the Board Committees and Non-Executive Directors shall be available at the AGMs to answer questions from Shareholders. All Directors and senior executives make a special effort to attend the AGMs. In the absence of a chairman of a Board Committee, members of the respective Board Committee will be invited to attend the AGMs and answer questions. The external auditor of the Bank shall also attend the AGMs to answer questions about the conduct of the audit, the preparation and content of the auditor’s report, the accounting policies and auditor independence.

3.2 The Bank shall provide information on how Shareholders can convene an extraordinary general meeting and the procedures and sufficient contact details for putting forward proposals at general meetings. Such information will be included in the Corporate Governance Report as contained in the Bank’s annual report.

3.3 Appropriate arrangements shall be put in place to encourage Shareholders’ participation at AGMs and other general meetings of the Bank. Shareholders who are unable to attend and vote at general meetings are encouraged to appoint proxies to attend and vote at the meetings for and on their behalf.

3.4 The Bank shall prepare notices of meetings and accompanying documents in a clear and concise manner, and in compliance with all relevant requirements of the Listing Rules.

- 3.5 The Chairman of AGMs or other general meetings shall provide an explanation of the detailed procedures of conducting a poll to Shareholders and answer any questions from Shareholders on voting by poll at such meetings to ensure Shareholders are familiar with such procedures.
- 3.6 Except for those procedural and administrative matters as specified under the CG Code, the Bank shall conduct a poll on each resolution at general meetings to enable Shareholders attending the meetings in person or by proxy to vote according to the number of shares held by them. The Bank shall appoint an independent party to act as scrutineer in relation to the poll procedure. The results of any poll shall be posted on the websites of HKEx and the Bank.
- 3.7 For each substantially separate issue at a general meeting, a separate resolution shall be proposed by the Chairman of that meeting. The Bank shall avoid “bundling” resolutions unless they are interdependent and linked forming one significant proposal. Where the resolutions are “bundled”, the Bank shall explain the reasons and material implications in the notice of meeting.
- 3.8 The process of the Bank’s other general meetings shall regularly be monitored and reviewed. Changes to the process shall be made as appropriate so that Shareholders’ needs are best served.

4. Investment Community Communications
